El aspecto natural y realista del gres porcelánico inspirado en la madera de STRUKER brinda la belleza y calidez del material original.

Con un aspecto indemne al paso del tiempo, en la fiel recreación de la naturaleza y en el grafismo de sus vetas reside la singularidad de estas colecciones, idóneas para espacios que demandan realismo natural.

El gres porcelánico de efecto madera es resistente a los impactos, las abrasiones, los arañazos, las manchas, soporta los cambios bruscos de temperatura, es impermeable y se limpia de manera fácil y rápida.

Wood inspired natural look of STRUKER porcelanic gres provides the beauty and warmth of the original material.

An aspect that does not affect the passage of time, it's a faithfull recreation of the nature and in which the graphics are ideal for spaces of natural inspiration.

Wood effect porcelanic gres is resistant to impacts, abrasions, scratches, stains, temperature changes, it is waterproof and easy to clean.

L'aspect naturel et réaliste du grès cérame inspiré du bois STRUKER apporte la beauté et la chaleur du matériau d'origine.

Avec un aspect intact au fil du temps, dans la reconstitution fidèle de la nature et le graphisme de ses veines réside l'unicité de ces collections, adaptées aux espaces qui exigent le réalisme naturel.

Le grès cérame effet bois résiste aux chocs, abrasions, rayures, taches, résiste aux changements brusques de température, est étanche et se nettoie facilement et rapidement.

Das natürliche und realistische Aussehen des STRUKER Holz inspirierten Feinsteinzeugs, verleiht dem Originalmaterial die Schönheit und Wärme.

Mit einem Aspekt, der im Laufe der Zeit unbeschadet blieb, liegt in der originalgetreuen Wiederherstellung der Natur und der grafischen Darstellung ihrer Adern die Einzigartigkeit dieser Sammlungen, die für Räume geeignet sind, die natürlichen Realismus erfordern. Die Holzoptik-Feinsteinzeugfliese ist beständig gegen Stöße, Abrieb, Kratzer, Flecken, hält plötzlichen Temperaturschwankungen stand, ist wasserdicht und leicht und schnell zu reinigen.

En sintonía con las nuevas tendencias de interiorismo, STRUKER presenta un amplio abanico de posibilidades gracias a la generosa variedad de formatos disponibles en sus colecciones: pequeños, medianos, grandes y muy grandes, tanto para pavimento como revestimiento. Nuestra firma propone varias colecciones inspiradas en cementos con toques vanguardistas, así como texturas pétreas, mármoles con suaves vetas y elegantes maderas; con una amplia gama cromática que abarca colores desde blancos a negros, haciendo especial hincapié en los grises, sin abandonar los cálidos tonos beige y marrones.

According to the new interior design trends, STRUKER presents a wide variety of possibilities thanks to the range of formats available in their collections: small, medium, large and extra-large, both for floor and for wall.

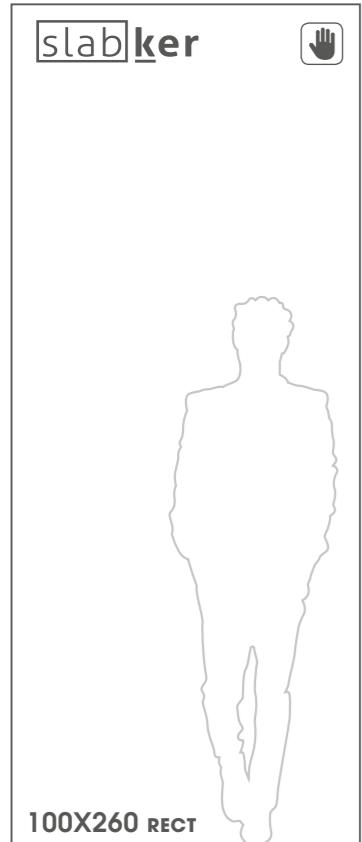

Our company proposes several collections inspired in Avant-garde cements, Stone textures, soft marbles and elegant Woods; with a huge colour range from White to black, emphasizing grey colors, not forgetting warm beige and Brown tones.

En phase avec les nouvelles tendances du design d'intérieur, STRUKER présente un large éventail de possibilités grâce à la généreuse variété de formats disponibles dans ses collections: petit, moyen, grand et très grand, aussi bien pour les carreaux de sol que muraux. Notre vous proposons plusieurs collections inspirées des ciments aux touches avant-gardistes, ainsi que des textures de pierre, du marbre aux stries douces et du bois élégant; avec une large gamme de couleurs qui comprend des couleurs du blanc au noir, avec un accent particulier sur le gris, sans abandonner les tons chauds beige et marron.

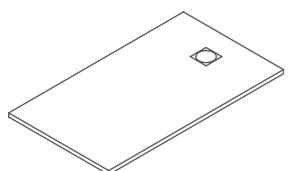

Passend zu den neuen Trends im Innendesign bietet STRUKER dank der großen Auswahl an Formaten in seinen Kollektionen eine Vielzahl von Möglichkeiten: klein, mittel, groß und sehr groß, sowohl für Boden- als auch für Wandfliesen. Unsere Firma bietet verschiedene Kollektionen an, die von Zementen mit avantgardistischen Akzenten inspiriert sind, sowie Steintexturen, Marmor mit weichen Streifen und elegantes Holz. mit einem breiten Farbspektrum, das Farben von Weiß bis Schwarz umfasst, wobei der Schwerpunkt auf dem Grau liegt, ohne auf die warmen Beige- und Brauntöne zu verzichten.

La cerámica se reinventa con SLAB_ker. Siempre en continuo desarrollo y comprometidos con el medio ambiente, STRUKER presenta su nuevo producto basado en la aplicación digital: nunca antes había sido tan fácil transformar los espacios en ambientes dinámicos y con personalidad.

En este caso, los acabados inspirados en piedras de tradición arquitectónica, los industriales cementos y diseños basados en originales papeles pintados han supuesto nuestra fuente de inspiración para elaborar esta colección tan distintiva. No existen límites a la imaginación; juega con ella y decide cuál va a ser tu diseño.

Ceramic is reinvented with SLAB_Ker. Allways in continuous development and committed to the environment, STRUKER presents its new product based on the digital application: never before has it been so easy to transform spaces into Dynamic atmospheres and with personality.

In this case, the finishes inspired by the stones of the architectural tradition, industrial cements and designs based on original wallpapers have been our source of inspiration to elaborate this distinctive collection.

There are no limits to the imagination, play with it and decide what your design is going to be...

La céramique est réinventée avec SLAB-KER. Toujours en développement continu et soucieux de l'environnement, STRUKER présente son nouveau produit basé sur l'application numérique: il n'a jamais été aussi facile de transformer des espaces en environnements dynamiques avec personnalité.

Dans ce cas, les finitions inspirées des pierres de la tradition architecturale, les ciments industriels et les dessins basés sur des papiers peints originaux ont été notre source d'inspiration pour élaborer cette collection distinctive.

Il n'y a pas de limites à l'imagination; Jouez avec elle et décidez quel sera votre design.

Die Keramik wird mit SLAB_ker neu erfunden. STRUKER entwickelt sich ständig weiter und engagiert sich für die Umwelt. Das neue Produkt von STRUKER basiert auf der digitalen Anwendung. Noch nie war es so einfach, Räume in dynamische Umgebungen mit Persönlichkeit zu verwandeln.

In diesem Fall waren die Oberflächen, die von Steinen der architektonischen Tradition inspiriert wurden, sowie die industriellen Zemente und Designs, die auf Originaltapeten basierten, unsere Inspirationsquelle für die Ausarbeitung dieser unverwechselbaren Kollektion.

Der Fantasie sind keine Grenzen gesetzt. Spiele mit ihr und entscheide, wie dein Design aussehen soll.
